(1) System responsible for protecting your deposit

(2) General protection limit: if a deposit is unavailable because a credit institution is not capable of honouring its financial obligations, the depositors will be reimbursed by a deposit guarantee system. Reimbursement is capped at 100,000 Euro per credit institution (POST Finance being assimilated to a credit institution in this context). This means that all deposits with the same credit institution are added together to determine the guarantee level. If, for example, a depositor holds two accounts with POST Finance, where the balance of the first account is 90,000 Euro and the balance of the second account is 20,000 Euro, reimbursement will be limited to 100,000 Euro.

In the cases detailed in Article 171, paragraph 2 of the law of 18 December 2015 relating to the defaulting of credit institutions and certain investment firms, deposits are guaranteed above 100,000 Euro, in which case they are guaranteed up to a limit of 2,500,000 Euro. (3) Protection limit for joint accounts: In the case of joint accounts, the limit of 100,000 Euro applies to each depositor. However, deposits in an account over which at least two people without legal personality have rights in the capacity as partner of a company or member of an association or any similar group will, for the purposes of calculating the 100,000 Euro limit, be grouped together and treated as if they were placed by a single depositor.

(4) Reimbursement: The competent deposit guarantee system is the Fonds de garantie des dépôts Luxembourg, 283 route d'Arlon, L-1150 Luxembourg, Postal address: L-2860 Luxembourg, Tel.: (+352) 26 25 1-1, Fax: (+352) 26 251 2601, info@fgdl.lu www.fgdl.lu

It will reimburse your deposits (up to 100,000 Euro) within a maximum of seven business days. If you have not been reimbursed within this time, please contact the deposits guarantee system, as the deadline for submitting a reimbursement request may be limited. For more information: www.fgdl.lu
